Newsletter: February 2026

Dear families!

Happy February! This month, our focus is on *kindness, friendship, and love*. The children are learning how to care for one another, share, and express their feelings in positive ways. February is also a time to celebrate how much we've grown since the start of the school year—thank you for continuing to support our teachers and your children's learning every day!

Classroom Highlights

Infants & Toddlers:

Our little ones will explore the theme "All About Love and Friendship." Activities include sensory play with red and pink textures, heart stamping art, and story time about families and friends.

Preschoolers:

This month's theme is "Feelings & Friendship." Children will participate in kindness challenges, friendship bracelets, group games, and love-themed crafts to help them understand emotions and cooperation.
